

Dear Sir,

We take pleasure in introducing ourselves as a leading Manufacturer and Supplier of Complete range of Industrial Storage Systems. We are pioneers in this market and have valuable experience of over 25 Years. The need for Storage Products is universal and MEX's markets span the spectrum of Industrial, Service, Corporates, Governmental and Institutional Organizations.

Shelving and Pallet Racking products are popular with warehousing and manufacturing applications, ranging from a few units to multi-level installations.

We provide Complete Storage Solutions for your all types of need.

We are capable to Manufacture & Install the following:

- (a) LIGHT / MEDIUM / HEAVY DUTY HIGH RISE RACKING SYSTEMS.
- (b) SLOTTED ANGLE STEEL SHELVING RACKING SYSTEMS.
- (c) SINGLE / DOUBLE / MULTI DEEP RACKING SYSTEMS.
- (d) SINGLE / DOUBLE TIER MEZZANINE FLOORS
- (e) SPACE SAVER MOBILE COMPACTORS
- (f) DRIVE IN / FIFO RACKING SYSTEMS
- (g) STEEL FABRICATED PALLETS

And can plan for GODOWNS, STORE ROOMS, RECORD ROOMS, WARE HOUSES, COLD STORAGE, SHOWROOMS etc. and take such jobs on turnkey basis from planning to erection stages.

Our Technical / Design Engineers and Sales Officers are always at your disposal to suggest proper layout and estimate of your requirement in an economical way. Our products are fabricated out of best grade steel and given stove enameled, oven backed & powder coating as per your required color.

Kindly enlist our name for the future requirements and send us your esteemed Enquiries/Orders. Hoping for a valuable response from your end and assuring you of our Prompt and Better Services at all times.

Our Manufacturing unit is based in Noida (U.P), We have our own Sales Team who directly interact with the Customers and understand their Storage Requirement.

We will be privilege to work with you and believe that with our expertise, we will be able to provide the Best Complete Storage Solutions right at your Door Step Across India.
